

## **Deployment of Strategic Plan**

### **Setting of an A.V. Room**

According to the New Policy of the Honorable Prime Minister Shri Narendra Modi, Higher Education should make use of Information and Communication Technology (ICT) in the process of Teaching and Learning. To implement it, a College Committee meeting was conducted on 2nd August 2017 to discuss the same. Prior to this meeting, the IQAC had sent the requirements of the use of ICT enabled learning to the College Committee. The Secretary of the M.G.E. Society, who was also a member of the College Committee proposed the development of an A.V. Room and purchase of ICT equipment. This was seconded by the Secretary of the College Committee. After a Resolution was passed, the Principal gave instructions to IQAC and the Office Superintendent for obtaining quotations for the purchase of ICT equipment like LCD Projector, Microphone, Speakers, and Screen. After the process an LCD projector was installed in the newly developed. A.V. Room. Recognizing the need for another LCD projector, a portable projector was purchased. This year the college has installed LCD Projectors in Eleven classrooms.

### **Accreditation**

The college has completed the first cycle of NAAC and accredited B++ grade with CGPA 2.83.
