

Action taken report on Feedback

The college collects feedback from various stakeholders. The feedback is collected from students about college and teachers. Alumni feedback is also collected.

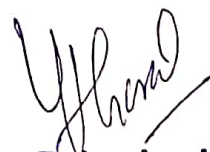

The college has hybrid system of collecting feedback. Feedback forms are collected manually plus online feedback form links are available on Website.

We have also received descriptive feedback about college from students and parents. It is available on website.

The analysis of feedback from students about the college revealed certain suggestions.

The action taken on these suggestions is as follows –

1. The students demanded LCD Projectors to be installed in the classrooms for innovative teaching. The college set up A/V room in August, 2017 .
2. Now in 2022, college has set up LCD Projectors in 9 more classrooms and in Computer Lab.
3. Students also demanded more reading material in library. We have increased quantity of textbook collection in library.
4. The college maintains suggestion Box to resolve student complaints. The suggestion Box is opened frequently to resolved complaints. Once the suggestions are received, the Student Grievance Committee and the Principal discuss about the suggestions and resolve them.
5. We have also updated infrastructure facilities from time to time as per suggestions received in feedback.
