## Success Mantra / Induction Guest Lecture Series

Every year Success Mantra Guest Lecture Series is conducted for the BBA students at the beginning of the Academic year. It was formerly conducted under the Induction Programme. It was held from 28<sup>th</sup> August to 31<sup>st</sup> August 2018 from 10 am to 12 noon.

On the first day we had a fitness trainer from Vivafit, Mrs. Carolyn Irani who conducted a session on 'Feminine Fitness'. Here she explained the advantages of following a healthy diet and also analysed the students fitness level. She also demonstrated and made them do some exercises which they should do regularly.

On 29<sup>th</sup> August a lecture on 'Emotional Intelligence' was conducted by Mr. Ujwal Tawde. He explained that 'Life is Beautiful' inspite of the obstacles and problems we encounter.

On the third day we had invited Miss. Diksha Dinde, our alumni, Ambassador of Education and a Youth award receiver. Through her testimony and experiences she shared, she motivated and inspired the students. The topic allotted to her was 'Youth Empowerment'.

Keeping in mind the fear of English language in the minds of students and lack of communication skills, a lecture on 'Importance of communication skills in today's modern era' was conducted. Dr. Madhuri Gokhale informed and explained that English being a global language, one should be able to communicate fluently and effectively. She also gave tips on how to improve their communication skills.

The students actively participated and it was an enriching experience. The TYBBA students who have Event Management as a subject in the following term, managed the entire programme. Volunteers from FY and SYBBA supported the TYBBA students. They were given the opportunity to come ahead and introduce the guests and propose the vote of thanks. Besides learning Event Management the students also learnt again the functions of management. Just like every year, the girls were happy and satisfied.

## BBA INDUCTION 2017-18

Every year Induction is conducted for the BBA students. It is not only to welcome the students but also to orient them. It was conducted on the 28<sup>th</sup> and 29<sup>th</sup> of August 2017. The students were given information of the college, its discipline and its rules and regulations. Besides this, they were updated on the various activities that are conducted for them, the examination system and the facilities that are provided to them.

On the first day, a session was conducted by Prof. Piyush Pahade on 'the seven habits of highly effective people'. This gave insights on, as to be successful, what are the changes that should be made to improve ourselves. Mr. Siljith Mohan, an Entrepreneur explained various career options available in the field of Marketing, Finance, Human Resource, Production and Operations et al, mostly focusing on Entrepreneurship in the above fields.

On 29<sup>th</sup> August, the excited students awaited the session on Fitness. This was conducted by Miss Raksha Lazarus who gave a demo on Zumba for fitness. The students exercised on the foot tapping music. A session on SWOC analysis and Career Planning was conducted by Prof. Sudha Nair. She guided the students on 'how to strengthen your strenghts and weaken your weaknesses'. She also explained the difference between being job oriented and career oriented.

It helped the students to introspect, discern, understand and make a choice as to what they want to do in the future and how to prepare a roadmap to attain goals. They also met and interacted with their peers and mentors. We wish that they become successful and carve a niche for themselves.
