Subject: Regarding Social Survey projects under linkages

Dear Sir,

Business Ethics Foundation is thankful to Huzurpaga Mahila Vanijya Mahavidyalay for making their students a part of two different social surveys conducted.

We appreciate the efforts taken by the students for volunteering the 'Survey of Schools in Pune' conducted in an academic year 2018-19 and 'Road Traffic problems in Pune City' conducted in academic year 2019-20. Foundation has also published a booklet on these surveys in the recent international conference.

As these activities will contribute significantly to the research field and to understand the changes in community in a better manner, I am sure the students must have gained lot of knowledge during the process. Looking forward for support of the college in future projects of the foundation as well.

Thanks and Regards,
