Meaning & Types Of Human Values

Human values are the virtues that guide us to take into account human element when one interacts with one other human beings. they are our feelings for the human essence of others. Its both what we expect others to do to us & what we aim to give to other human beings. These human value give the effect of bonding, comforting & reassuring.

Introduction To Human Values

value guides the selection or evaluate policies, people & events. That is values some as standard or criteria some basic values are self direction, stimulation, achievement, power, security, conformity, tradition.

Types Of Values

Values are standards or ideals with which we evaluate actions, people, things, or situations. Beauty, honesty, justice, peace, generosity are all examples of values that many people endorse. In thinking about values it is useful to distinguish them into three kinds:

- **Personal values:** values endorsed by an individual. For example, some people regard family as their most important values, and structure their lives so that they can spend more time with their family. Other people might value success instead, and give less time to their families in order to achieve their goals.
- **Moral values:** values that help determine what is morally right or wrong, e.g. freedom, fairness, equality, etc, well-being. Those which are used to evaluate social institutions are sometimes also known as **political values**.
- **Aesthetic values:** values associated with the evaluation of artwork or beauty.

Core Of Human Values

- **Love** – unconditional & unselfish care
- **Peace** – control the mind
- **Truth** – indispensable ethical discipline
- **Nonviolence** – respect for life & recognition of the rights of others
- **Right conduct** – truth in action is right conduct

"THINKING WITH LOVE IS TRUTH, FEELING WITH LOVE IS PEACE, ACTING WITH LOVE IS RIGHT CONDUCT, UNDERSTANDING WITH LOVE IS NON-VOILENCE."

Process Of Self Exploration

It is a proposal. Don't assume it to be right. Verify it at your own right. (Not on the basis of the scriptures, not on the basis of reading from instrument, not on the basis of others) self verification.

Verify on the basis of your natural acceptance

Live according to :

- Behaviour with human leads to mutual happiness
- Work with rest of the nature leads to mutual prosperity

Need of Value Education In Our Life

- All the human beings continually aspire for a happy life, a fulfilling & successful life, and the purpose of education is to provide adequate competence to actualize this aspiration.
- It enables us to understand our needs & also indicate the direction of their fulfilment.

The value of any unit in this existence is its participation in the larger order of which it is part e.g. value of a pen is that it can write. Here writing is the participation of the pen in the bigger order in which pen, paper, human being all are present.

Meaning & Types Of Professional Ethics

A profession is a vocation founded upon specialised high educational training, the purpose of which is to supply objective counsel & service to others, for direct & definite compensation.

It encompasses the personal & corporate standards of behaviour expected of professionals. It is concerned with ones behaviour & conduct when carrying out professional work. It is codified & varies across different cultures. It is ethical norms, values, & principles that guide a profession & the ethics of decisions made within the profession. It includes showing up on the time, dressing well, keeping your working area clean, and sending email messages without typos & without expressing address of others.

How To Behave With Parents & Family Members:

1. Listen to your parents. When your parents ask you to do something, do it. If it is something you don't want to do, just simply tell your parents it is not something you feel like doing. If they still insist you to handle it, don't yell, just go do it. Even if you don't want to, you have to respect your parents.
2. Don't talk back. You might think something is unfair, but don't push them to think you're not mature.
3. Try to help them out as much as possible. If they need help doing dishes or doing laundry, give them a helping hand. They will always try to give back in return.
4. try not to make them mad. If you're working on getting something, don't do anything that might make them not want to give it to you. You don't want to ruin everything you worked so hard for.
